In our worship this half term we are thinking about People of God . We will be looking at how people made choices to follow God.

Earrings

May we remind parents that earrings cannot be worn during PE lessons. If children are unable to remove their own earrings then they should remove them at home on PE days. If the earrings are not able to be removed at all, parents should put tape or plasters over them, or teach their children to put tape/plasters over the earrings, thus minimising the risk of injury.

PE

We are asking children to bring a tracksuit (navy or black) for PE as it will be outside for this half term. Please ensure all items of clothing are clearly named.

A huge welcome back to everyone. It has been wonderful to have the school filled with the chatter of children again.

I would like to offer a warm welcome to our children and families joining us in Foundation Stage; we are so thrilled you are going to be part of the Christ Church Family.

The children look fantastic in their school uniforms and have all been so excited to learn. It has been wonderful to see.

Thank you for your patience and support as we implement our new starting and leaving procedures; it is great that we can all work together to keep everyone safe.

MUGA update

We can't wait to be able to use the new MUGA and what an asset it is going to be. The surfacing is due to be completed today and then we will be good to go.

Thank you once again to the PTFGA who contributed £10,000 to the project and helped us reach our funding target after 3 years of saving.

It will provide an excellent resource which will benefit all the children in school.

Birthdays

Children are still able to wear their own clothes for the day either on their birthday or on the closest school day after their birthday. They really enjoy receiving everyone's birthday wishes.
