

Year 3
Autumn Term Homework

Dear Parents/ Guardians,

Welcome to Year 3!

Year 3 homework during the Autumn Term will be in the format of a grid of 10 tasks covering a range of subjects.

I expect homework to be completed to a **very high standard** - team points and homework awards will be given out throughout the term. A final certificate will be awarded with 20 team points when all tasks are completed. I am very happy for you to support your child with their homework but please do not complete it for them.

I would like the children to complete **all the tasks** on the grid by **Monday 7th December 2020**. The tasks can be done in **any order** and at your own pace. Homework should be handed in on **Mondays only**. A grid is enclosed with space for you to date when a task has been completed and make any comments about how your child found the task.

Important - children should put the date and number of task at the top of the page before completing the task.

If you have any questions about the homework please don't hesitate to speak to me.

I look forward to seeing the children's fantastic work.

Miss Grogan
