Girls Football

What a busy week the Girl's Football team have had! Last Friday the girls took part in a local competition at Euxton Girl's where they played brilliantly and were unlucky to come away without a place in the final. On Tuesday the team represented school again in a Cluster competition at Bishop Rawstorne High School, and finished in third place. Well done girls, we are very proud!

Boys Football

It has also been a busy week for the boys football team, with the cluster competition on Tuesday and a friendly competition on Thursday. On Tuesday the team won, drew and lost, eventually finishing second. On Thursday the team won two games and drew the other 3, keeping 5 clean sheets and winning the competition!

Royal Wedding Celebration Day

On Friday 18th May we will be celebrating the Royal Wedding of HRH Prince Harry and Ms. Meghan Markle by asking the children to come to school in red, white and blue clothes.

At lunch time the children will have a picnic lunch. If your child does not usually have a school meal, but would like one on that day, please inform Mrs Lavery in the school office, and for those children in Key Stage Two, the meal will cost £2.20

Term time holidays— Please avoid taking holidays during term time. We are only able to approve/authorise such holidays in exceptional circumstances.

Arriving punctually— Please ensure your child is in class by 8.55am. Children can enter classrooms at 8.45am to ensure a calm and ordered start to the day.

Texting/Email Service

For some time we have used email and text messages to keep you informed. We have to pay for text messages and this can add up to a lot of money.

We now have a new smart phone app - School Gateway. The app is completely free, and cuts the costs of text messaging. Great news as the money saved can be better used elsewhere.

If you have a smart phone, you simply need to install the app from Google Play Store or Apple App Store.

Step 1- Search the app store for 'School Gateway', install the app and open it

Step 2- Select I'm a new user, enter your email and mobile number – your PIN number will then be sent to your phone

Step 3- Enter your pin and login

That's it - you will now receive messages from us through the App instead of by text. Your phone will buzz/ring just like when a text message arrives. So you will:

- receive instant notification of messages
- receive messages using Wi-Fi even when there is no mobile signal
- not be charged for sending replies back to the school
- be able to store and receive messages all in one place

Please don't worry if your mobile phone doesn't have an app facility we will continue to send messages via text instead.
