

Year 5 Homework—Autumn Term

Dear Parent,

Homework this term will be in the grid format of 10 tasks that children are used to.

All tasks should be completed by Monday 3rd December. The tasks can be done in any order and can be handed in as each task is complete or at the end when all tasks have been finished. There is a grid in your child's homework book and tasks can be ticked off and dated as they are complete.

Most tasks can be completed independently but some may require support. If you or your child are unsure about any tasks please feel free to ask for help.

Work should always be presented to a high standard in homework books and any loose sheets should be stuck in and include your child's name. The date and number of the task should be clear at the top of the page.

Homework should be handed in on Mondays only and will be returned to children on Tuesday.

Many thanks,

Mr Kewley

<p><u>Task 1: English</u></p> <p>Write a recount of a funny thing that happened in your family to share with the class.</p> <p>Further instructions in homework book.</p>	<p><u>Task 2: English</u></p> <p>Complete the comprehension activity all about Anglo- Saxon kings.</p>	<p><u>Task 3: Maths</u></p> <p>Solve the problems on the activity sheet using column addition and column subtraction.</p>	<p><u>Task 4: Maths</u></p> <p>Solve the problems on the activity sheet using grid method multiplication.</p>	<p><u>Task 5: Spelling</u></p> <p>1.
