

## Year 5 Homework—Spring Term

Dear Parent,

Homework this term will be in the grid format of 10 tasks that children are used to.

All tasks should be completed by Monday 25<sup>th</sup> March. The tasks can be done in any order and can be handed in as each task is complete or at the end when all tasks have been finished. There is a grid in your child's homework book and tasks can be ticked off and dated as they are complete.

Most tasks can be completed independently but some may require support. If you or your child are unsure about any tasks please feel free to ask for help.

Work should always be presented to a high standard in homework books and any loose sheets should be stuck in and include your child's name. The date and number of the task should be clear at the top of the page. Any work to be posted on the blog can be done at [www.cccrblogs.net](http://www.cccrblogs.net) from a tablet, PC or mobile phone.

Homework should be handed in on Mondays only and will be returned to children on Tuesday.

Many thanks,

Mr Kewley

<p><u>Task 1: English</u></p> <p>Write a book review for our blog. Include as much information as possible to help people decide if they would like the book.</p>	<p><u>Task 2: English</u></p> <p>Complete the worksheet using -ed and -ing openers in sentences.</p>	<p><u>Task 3: Maths</u></p> <p>Keep practising your times tables using Times Table Rockstars. Remember: We can see who is using it at home!</p>	<p><u>Task 4: Maths</u></p> <p>Complete the chunking worksheet. Squared paper has been included to show your working.</p>	<p><u>Task 5: Spelling</u></p> <p>On Spellingframe.co.uk practise spelling rule 45, 46 and 47. You will be tested on these words on the homework completion date.</p>
<p><u>Task 6: Science</u></p> <p>Research one of the planets in our solar system. Create a factual poster about that planet.</p>	<p><u>Task 7: Topic</u></p> <p>Research a famous mountain or volcano from anywhere in the world. Post the information on our class blog.</p>	<p><u>Task 8: RE</u></p> <p>Jesus was a great teacher. Think of something you could teach the rest of the class to do. It could be a dance, a game, how to make something, or anything else you can think of.</p>	<p><u>Task 9: PE</u></p> <p>Get active outside school! Post on the class blog about a sporting activity you take part in outside of school. It could be a club, competition or just going for a long walk/jog!</p>	<p><u>Task 10: Music</u></p> <p>Describe three of your favourite songs. What do you like about them? What instruments are used? Include information about the artist.</p>
