Summer Term Celebration Awards 2019

Very well done to the following children for achieving the following weekly awards this week

Headteacher's Award:
All Year 6 –You smashed it!

	P.O.W . Pupil of the week	W.O.W. Worker of the week
Foundation	Alba H	Gretel BW
Year 1	Ava J	Tommy-Lee A
Year 2	Casper DW	Lola W
Year 3	Archie B	Ella D
Year 4	Seth Y	Fran E
Year 5	Lola W	Grace E
Year 6	Ava L	Imogen P

Year 6

A huge well done to all our wonderful year 6 pupils. During the SATs assessments, you demonstrated resilience, determination and a positive attitude. We are all very proud of you. You did it!

A huge thank you to all the Christ Church team who have worked with these fabulous children over the last 7 years.

Roadworks

This week the roadworks on Chorley Road have caused some issues outside school.

Please can parents use the Football Club car park to ease the traffic.

The safety of our children and the families is paramount.

Foundation Stage Assembly

On Wednesday 22nd May our Foundation Stage children will be hosting an assembly for their families. This will be in the hall, and will start after morning registration. The hall will be open for parents to go into once the children have been dropped off in their classroom.

Sports Day

Sports Day will be held on Friday 24th May 2019. The EYFS and KS1 will event will take place in the morning, and the KS2 event will take place in that afternoon. Everyone is welcome to join us at the event to support all our children taking part.

If the weather is unkind to us, the alternative date will be 7th June.

In our worship this half term we are thinking about our Christian Value's Forgiveness, Compassion and Trust

Lunch Bands

As you are probably aware, the children are issued with red, blue or green bands at lunchtime to confirm their order. Over the last year an extremely large number of these have gone missing.

Buying new bands is a cost to the school, and so we would be very grateful if you could look in book bags, coats and at home to see if your child has brought some home, then return them to school as soon as possible please.

Thank you for your help in this matter.

Year 3/4 Tri-golf at Holy Cross

Huge congratulations to the Y3/Y4 Tri-golf team. It was a difficult competition with 21 teams taking part. As always, team Christ Church showed determination and wonderful team spirit finishing in a fantastic 3rd place. Congratulations to our mini Tiger Woods.

Dates for your diary

All school events can be found on the school app.

22nd May—Foundation Stage Assembly at 9am

24th May—Sports Day

24th May—School closes for Half Term at 3:25pm

6th June—Enrichment Day

7th June—Sports Day (alternative date)

11th June—Group school photos

2nd July—Year 6 Grand Guitar Concert at 1:45pm—2:15pm

Lancashire Science Festival Family Day

The Lancashire Science Festival is hosting a free fun-filled Family Day on Saturday 29 June 2019. Come along and enjoy a spectacular showcase of science, technology, engineering, mathematics and more. Our action-packed festival is taking place at the University of Central Lancashire's Preston Campus between 9am - 5pm.

This year you can look forward to another action-packed festival, with a huge variety of shows, fantastic workshops, exciting exhibits and hands-on activities on our Science Showfloors.

You can expect to be introduced to the world of chemistry with Dr Anna Kirkham in 'This is Amazing Chemistry' with demonstrations including chemical clocks and whoosh bottles. Become a paramedic for the day or get mummified in our 'Hands on Hospital'. Register for your free festival pass via our website – www.lancashiresciencefestival.co.uk You can contact our helpful team for more information by emailing lancscifest@uclan.ac.uk or calling 01772 894288

Just a little of what we have in store for you!

UCLan Physical Sciences and Computing Zone

Come and see mathematics, physics and astronomy in action. Try our exciting demonstrations of space-time, magnetic levitation and chaos theory!

Zoolab Animal Encounters

Get up close with exotic animals as we find out all about where and how animals have inspired and influenced scientists and engineers to make new materials and technology.

Thrills, Theme Parks and Maths in 3D

We all love a thrill and most of us go to theme parks to get them. You will experience some of the best thrills and rides on the planet as Dr Kevin Bowman explains some of the maths that makes these possible.

From Plate to Poo

Not into mushrooms? Sick of sprouts? Always finding sweetcorn when you haven't eaten any? Come on a journey from your plate to your poo.

Science Showfloors

Enter one of our Science Showfloors packed with exciting interactive activities covering the full spectrum of science, technology, engineering, maths, health and much more.
