

Year 1
Autumn Term
Homework Grid

Dear Parent,

Welcome to Year 1!

Homework during the Autumn Term will be in the format of 10 tasks covering a range of subjects. I would like the children to aim to complete **all the tasks** on the grid by **Monday 2nd December**. The tasks can be done in **any order** and at your own pace. Homework should be handed in on **Mondays only**. There is a grid in the children's homework book representing each task, please date when that task has been completed and feel free to make a comment about how your child found the task.

Many of the tasks should be able to be completed independently, some may require help. Please encourage your child to always present their work to a **very high standard**. If you require any further assistance with the completion of the tasks please do not hesitate to speak to me.

Please note - children need to put the date and number of task at the top of the page before completing the task.

Thanking you in anticipation of your support.

Miss Howarth

<p><u>Task 1: English</u></p> <p>Draw a picture of your favourite page in a book of your choice. Label the picture with adjectives to describe the scene. Remember adjectives are describing words e.g. 'sparkly or dull'. Can you use those adjectives to write sentences about your chosen book? E.g. 'The fairy wore a dress that was very sparkly.'</p>	<p><u>Task 2: Phonics</u></p> <p>Begin to learn the Year 1 common exception words. Make sure you are practising writing them neatly, and using them in sentences. If you don't know the meaning; check it in a dictionary or online. Make sentences by cutting out the bricks. You can use the lists to help you learn the spellings.</p>	<p><u>Task 3: Reading</u></p> <p>Read for 10 minutes, at least 3 times a week. Make sure that you are reading clearly, sounding out all of the phonemes. Keep this recorded in your Reading Record.</p>	<p><u>Task 4: Maths</u></p> <p>Learn your 2 times tables. Make sure you can count in 2s and multiply by 2! Practice counting in 2s with objects around the home, such as socks or shoes!</p>	<p><u>Task 5: Maths</u></p> <p>Learn all of your number bonds to 20 (16 + 4; 3 + 17 etc.). Make sure you can add to 20, and subtract from 20. How many number bonds are there?</p>
<p><u>Task 6: RE</u></p> <p>Get creative!</p> <p>Create something using materials of your choice that makes you proud.</p> <p>Remember to upload a photograph to twitter!</p>	<p><u>Task 7: PSHE</u></p> <p>Write a list of people you can trust</p> <p>(Sheet to be sent home by Mrs Taylor)</p>	<p><u>Task 8: Science</u></p> <p>Choose your favourite animal. Which animal group does it belong to? Can you draw a picture of it and add labels telling us what features it has that let you know which animal group it belongs to?</p>	<p><u>Task 9: Art</u></p> <p>Complete a collage using materials that you found outside (leaves, twigs etc) of what your own pet bog baby would look like</p>	<p><u>Task 10: PE</u></p> <p>Can you throw and catch a ball 10 times in the air without dropping it? What about 20 times to a partner?</p> <p>Remember to upload a photograph to twitter!</p>
