

Year 3
Spring Term
Homework Grid

Dear Parents / Guardians,

I hope you all had a great Christmas!

Year 3 homework during the Spring Term will be in the format of 10 tasks covering a range of subjects.

I expect homework to be completed to a **very high standard** - team points and homework awards will be given out throughout the term. A final certificate will be awarded with 5 team points when all tasks are completed. I am very happy for you to support your child with their homework but do not complete it for them.

I would like the children to complete **all the tasks** on the grid by **Monday 21st March 2022**. The tasks can be done in **any order** and at your own pace. Homework should be handed in on **Mondays only**. There is a grid in the children's homework book representing each task, please date when that task has been completed and make any comments about how your child found the task.

If you require any further assistance with the completion of the tasks please do not hesitate to speak to me.

Important - children need to put the date and number of task at the top of the page before completing the task.

Thanking you in anticipation of your support.

Mrs Dixon
