HEAD TEACHERS MESSAGE

In school this week we had a fantastic science day. Each class investigated a famous scientist such as Charles Darwin, Marie Curie and Caroline Herschel. The children created a piece of artwork and a fact file based on their scientist. Every class had a mini competition throughout the day and the winning entry received a prize in worship this morning.

This afternoon we had a visit from the ice-cream van. Everyone in school enjoyed either an ice-cream or ice lolly thank you to Year 3 for raising the money through Charnock Challenge to treat everyone!

Enjoy the sunshine this weekend.
