

Year 1  
Autumn Term  
Homework Grid

Dear Parent,

Welcome to Year 1!

Homework during the Autumn Term will be in the format of 10 tasks covering a range of subjects. I would like the children to aim to complete **all the tasks** on the grid by **Monday 4<sup>th</sup> December**. The tasks can be done in **any order** and at your own pace. Homework should be handed in on **Mondays only**. There is a grid in the children's homework folder representing each task, please date when that task has been completed and feel free to make a comment about how your child found the task.

Many of the tasks should be able to be completed independently, some may require help. Please encourage your child to always present their work to a **very high standard**. If you require any further assistance with the completion of the tasks please do not hesitate to speak to me.

Please note – children need to put the date and number of task at the top of the page before completing the task.

Thank you in anticipation of your support.

Mrs Dixon
